Educational Exhibits (17)

Burbaugh, B. 2010. Beekeeping is back! Co-organized and built a 20' x 20' display that highlighted local honey, a demonstration hive, live honey bees and extension educational material for the Greater Jacksonville Agricultural Fair. Jacksonville, FL.

Burbaugh, B. and Toro, E. 2010. Virtual field-day provides universal access. Provides an overview online educational material related to poultry production. Florida Small Farms and Alternative Enterprises Conference. Kissimmee, FL

Delvalle, T., Burbaugh, B., Figart, L., Harlow, E., Toelle, A., Toelle and McKinney, A. 2008–2010. The Extension Learning House. Interactive exhibit used to highlight information provided by extension. Greater Jacksonville Agricultural Fair. Jacksonville, FL.

DeValerio, J., Hochmuth, R., Landrum, L. Breman, J., Burbaugh, B., Gaul, S., Nistler, D., Sweat, M. and Toro, E. Unique approach to farmer input leads to successful programming. Displayed at the Florida Small Farms and Alternative Enterprises Conference. Kissimmee, FL.

Burbaugh, B. and Toro, E. 2009. Permitted facilities: Demystifying the process. Display covered regulations related to small-scale agricultural commodity processing. Extension Professional Associations of Florida (EPAF) conference. Orlando, FL.

Burbaugh, B. 2009. What's on the menu? Florida farms! Developed display that highlighted local farms providing food for the event. Regional meeting of Master Naturalist graduates. Mandarin, FL.

Burbaugh, B. 2009-2010. Buy fresh, buy local. Mapped the location of local farmers markets and how to find local farms using World Wide Web. Greater Jacksonville Agricultural Fair. Jacksonville, FL.

Burbaugh, B. 2009. Growing a local food system. Display highlighted a successful model for local food production. Florida State Horticulture Society annual meeting.

Jacksonville, FL.

Burbaugh, B., Toro, E. and Landrum, L. 2007-2009. Pastured poultry: A viable alternative. Exhibited at the Florida Small Farms and Alternative Enterprises Conference, Kissimmee, FL. (2009), Agritunity conference, Bushnell, FL. (2008 and 2010) and at the Extension Professional Associations of Florida conference, St. Augustine, FL. (2007).

Burbaugh, B. 2008. Fundamentals of irrigation. Interactive display with video and information on irrigation options for small-acreage. Forage Establishment Field Day. Live Oak, FL.

Burbaugh, B. 2008. Plant reproduction. An interactive exhibit that taught plant reproduction at “science night.” Highlands Elementary School. Jacksonville, FL

Burbaugh, B. 2008. Composting 101. An interactive exhibit that provided hands-on composting skills. War on poverty’s earth day at gateway. Jacksonville, FL.

Burbaugh, B. and Gaul, S. 2008. Extension provides solutions for your life. Utilized IFAS Extension display along with a laptop and printer to retrieve EDIS publications on a wide range of topics for participants. Horse Disaster Preparedness Forum. Jacksonville, FL.

Toro, E., and Burbaugh, B. 2008. Legumes used to reduce fertilizer cost and improve forage quality. Agents provided and identified 12 varieties of forage legumes. Florida Meat Goat Association Annual Meeting. Ocala, FL.

Burbaugh, B. 2007. Buy smart, buy local. Provided information on the benefits of buying local produce. Also used as recruitment tool for the school for beginning growers. Greater Jacksonville Agricultural Fair. Jacksonville, FL.

Burbaugh, B. 2007. Florida cattle industry. Developed a display on cattle breeds, uses and by-products. Duval County Agriculture Awareness Tour. Jacksonville, FL.

Burbaugh, B. and Toro, E. 2007. Forages adapted to Northeast Florida. Provided and identified live samples of 8 forage varieties supplemented by a forage production publication developed by the agents. Annual Meeting of the Florida Meat Sheep Alliance. Lake City, FL.

Web-based Learning Modules (7)

Toro, E. and Burbaugh, B. 2009. Complying with regulations to sell eggs in Florida. . (http://vfd.ifas.ufl.edu/pastured_poultry).

Burbaugh, B. and Toro, E. 2009. Maximizing poultry foraging behavior. (http://vfd.ifas.ufl.edu/pastured_poultry)

Toro, E. and Burbaugh, B. 2009. Poultry nutrition and feeding. (http://vfd.ifas.ufl.edu/pastured_poultry)

Burbaugh, B. and Toro, E. 2009. Starting a pasture raised poultry operation. (http://vfd.ifas.ufl.edu/pastured_poultry)

Toro, E. and Burbaugh, B. 2009. Layer systems and predator control. (http://vfd.ifas.ufl.edu/pastured_poultry)

Burbaugh, B. and Toro, E. 2009. Broiler systems and predator control. (http://vfd.ifas.ufl.edu/pastured_poultry)

Toro, E. and Burbaugh, B. 2009. Complying with regulations to sell dressed poultry. (http://vfd.ifas.ufl.edu/pastured_poultry)

Instructional Multi-Media Presentations (42)

Burbaugh, B. 2010. (Total 11). Instructional presentations were produced on vegetation management, algae control in Florida ponds, commodity specific regulations and poultry related topics. Range of slides: 12 to 39.

Burbaugh, B. 2009. (Total 15). Instructional presentations were produced on value-added processing regulations, micro green production, common invasive plants of Northeast Florida and aquatic herbicide technology. Range of slides: 5 to 65.

Burbaugh, B. 2008. (Total 16). Instructional multi-media presentations were created on cattle marketing, tax exemptions for agricultural production, wildlife food plot establishment, making the web work for your farm and fish pond management. Range of slides: 10-51.

Burbaugh, B. 2007 (Total 19) Instructional presentations were developed on fencing for livestock, pasture fertilization alternatives, small-scale vegetable production, invasive weed identification and control, herbicide technology and direct marketing regulations. Range of slides: 15 to 49.

Media Interviews (12)

Burbaugh, B. Small Business Development Center to coach farm owners. Jacksonville Business Journal. Interviewed and quoted in newspaper article. Jacksonville, FL. (5/6/11)

Burbaugh, B. Agriculture awareness activity organized by agent was filmed for television segment. First Coast News Channel 12. Jacksonville, FL. (8/23/10)

Burbaugh, B. Agriculture awareness activity organized by agent was filmed for television segment. Jacksonville Morning Show, News Channel 4. Jacksonville, FL. (8/23/10)

Burbaugh, B. Folks learn the how and whys of bees on the Westside. The Florida Times-Union. Interviewed and quoted in newspaper article. Jacksonville, FL. (4/23/10)

Burbaugh, B. Freeze damage to local crops. Radio interview: WOKV 690 AM. Jacksonville, FL. (1/6/2010)

Burbaugh, B. First rain now heat hammering local crops. Radio interview: WOKV 690 AM. Jacksonville, FL. (6/15/2009)

Burbaugh, B. Swine flu transmission and risk. Radio interview: WOKV 690 AM. Jacksonville, FL. (4/29/2009)

Burbaugh, B. UF/IFAS Extension in Duval County. Question and answer session with host of Grapevine Community News Radio. WCGL 1360 AM. Jacksonville, FL. (3/22/2009)

Burbaugh, B. Minor freeze damage to local crops. Radio interview: WOKV 690 AM. Jacksonville, FL. (1/22/2008)

Burbaugh, B. Harvesting business: Farmers markets a growing trend. Jacksonville Business Journal. Interviewed and quoted in newspaper article. Jacksonville, FL (07/14/2008)

Burbaugh, B. Community gardens sprout to fill demand. Jacksonville Business Journal. Interviewed and quoted in newspaper article. Jacksonville, FL. (7/21/2008)

Burbaugh, B. Local farmers market a possibility. The Riverside Resident Newspaper. Interviewed and quoted in newspaper article. Jacksonville, FL. (2/21/2008)

CD-ROM (4)

Burbaugh, B. 2007-2009. First coast regional envirothon study guide. Combined educational materials from five resource area specialists and developed a CD-ROM study guide that was distributed to over 211 high school teachers from 2007 to 2009.

Burbaugh, B. 2008. Tools for developing an economic impact of agriculture and natural resources brochure. (Distributed 35).

Burbaugh, B. and Toro E. 2008. Small scale poultry production resource guide. Contained 16 folders on poultry related educational resources with a total of 511 pages. (Distributed 100).

Burbaugh, B. and Toro, E. 2007. Pastured poultry production resource guide. Contained 7 folders with a total of 389 pages of educational materials. (Distributed 176).

Websites (3)

Delvalle, T., Burbaugh, B., Figart, L., Harlow, E., McKinney, A., Toelle, A., Toelle, Dorschel, D., Godke, R. 2009. Duval County Extension website. Developed and served as content editor for agriculture and natural resources program pages. (4 pages). The website was accessed 211,445 times and received 1.17 million page views from 2008-2010. (<http://duval.ifas.ufl.edu/>).

Burbaugh, B. and Toro, E. 2009. Pastured Poultry Virtual Field Day website. Includes educational resources for pastured poultry production in Florida; includes four sections with videos, web-based learning modules and fact sheets. The website was accessed 80,527 times from 2009-2010. (http://vfd.ifas.ufl.edu/pastured_poultry)

Burbaugh, B., Hochmuth, R., Osborne, L., Wilson, N., Landrum, L., Blount, A., Williamson, J., Toro, E., Swisher, M., Treadwell, D., Bolques, A., Sargent, S., Hutchinson, C., Norcini, J. and Giuliano, W. 2007. Small Farms Website. Agent serves as content editor of the freshwater aquaculture and farm pond pages. This website was accessed 421,901 times and received 3.3 million page views from 2009-2010. (<http://smallfarms.ifas.ufl.edu/>)
