

University of Florida/IFAS Extension – Neptune Beach Plot Application

Gardener cooperation is very important to the success of the Community Garden Program. As a plot owner, you must be physically capable of working your plot or make arrangements for someone else to work it for you. All persons working in a plot must complete these forms. If family members are working in the same plot, all names must be listed on the application. If children are working in a plot, they must be listed by the parent. **DUE DATE: 8-15-08**

This agreement is valid for one calendar year, October 1 through September 30. If you receive a plot anytime during the year, the agreement is still only valid through the following September 30.

Send to: University of Florida/IFAS Extension
Extension
1010 N. McDuff Avenue
Jacksonville, FL 33354
